

I-40/Coors Project

Bice Road at Coors Boulevard Closes July 6 - Summer 2006
Access to Businesses Remains From Iliff Road

Beginning Wednesday, July 6, **Bice Road at Coors Boulevard will close to traffic** for the remainder of construction. When the project is complete, Bice will become a cul-de-sac.

Customers should use Iliff Road and 57th Avenue to access local businesses.

This work is necessary to build the new northbound Coors on-ramp to eastbound I-40 and reconstruct Coors Boulevard south of the interstate.
