

## Traffic Alert for February 2010 I-10 Expansion

### Lane Closures:

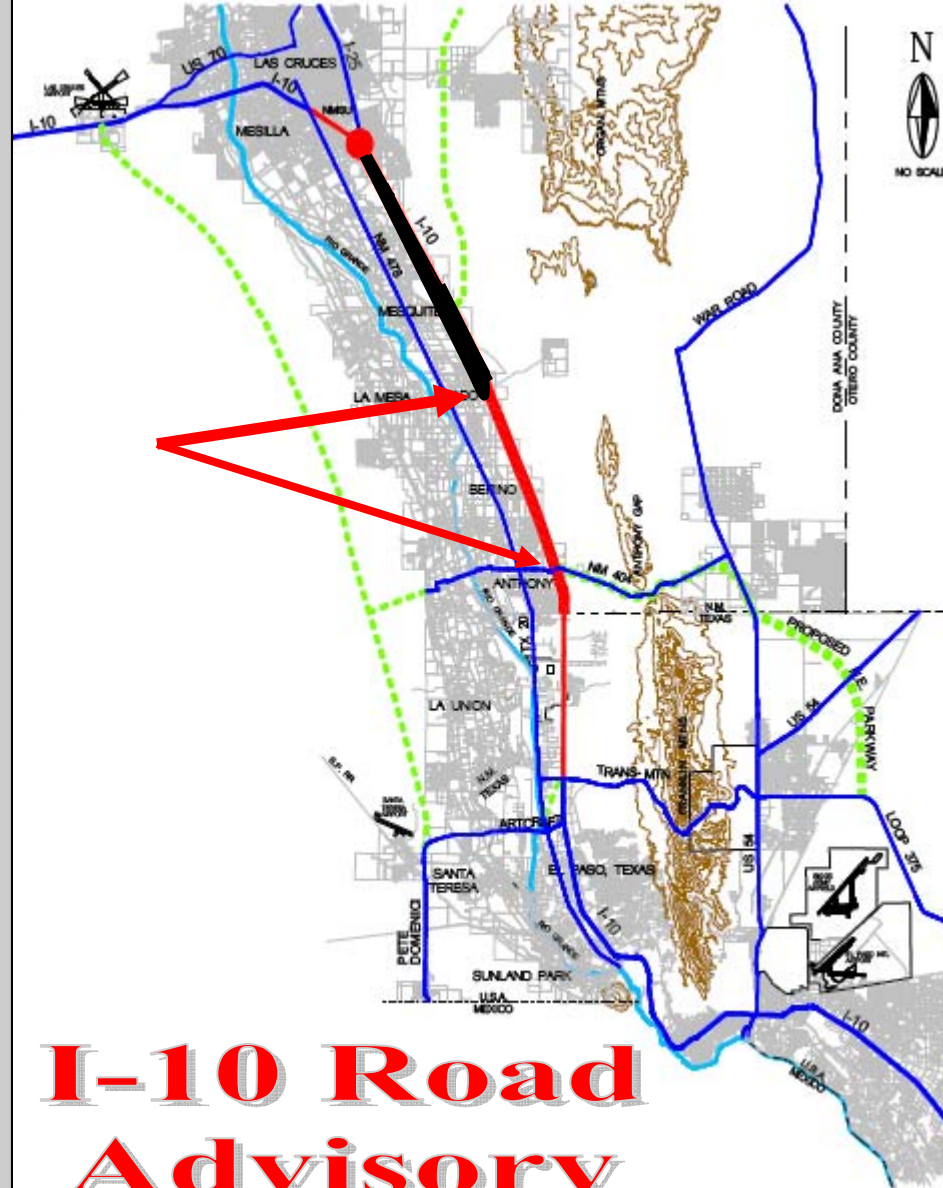

Traffic will be reduced to one lane on I-10 from the Vado exit (mile post 155) to the Texas State line. Passing lanes will be **CLOSED** with driving lanes opened as traffic will be alerted to reduced their speed to **35 MPH**.

Work will consist of median work on drainage structures. Motorists are advised not to use NM478 or NM28 as alternate routes. These roadways are **NOT** designed to withstand a high volume of traffic.

Park and Ride is available for daily commuters. Also, the NMDOT recommends leaving early in order to arrive at your destination safely.

For NON-Emergency or NON-Life threatening incidents please call 524-6111.  
EMERGENCY Calls ONLY 911
