Press Release

Traffic Advisory for US 84/285 in Arroyo Seco

Starting Monday, May 3:

- Southbound access to US 84/285 from Bar D Four Rd. will be blocked; motorists will have to U-turn at CR 88.

Starting Wednesday, May 5:

- Eastside residents and businesses traveling northbound will use an access road to US 84/285 starting at CR 88 (La Puebla Intersection).
- Mainline traffic on northbound US 84/285 will be moved to a newly constructed detour in the median area.
- Those traveling northbound on mainline US 84/285 wishing to access businesses or residences on the eastside will need to exit at CR 88 (La Puebla Intersection).
- Intersection width will be reduced at CR 88 and Camino Arroyo Seco; please proceed with caution in these areas.
- Please respect the construction speed limits; they are posted at lower speeds for your own safety.

These detours will be in place for the next several weeks while crews construct the eastside of the roadway reconstruction project. Traffic advisory information can be found at www.nmroads.com. For more information, contact Karyn Lujan, District Five NMDOT PIO, at 231-4431.
